Lisa Righini was born in Tuscany and raised in Northern Italy. She grew up bilingual because of her Italian and Austrian roots. She also speaks fluently English as she studied a year at the University of Windsor in Canada. After gaining her Bachelor of Arts in Philosophy she moved to Rome, where she attended workshops in Radio Journalism and Voice Over with Angelo Maggi, a famous Italian voice artist. Her love for acting led her to take part to some acting workshops: she attended the "Four Week Acting for Film Program" at the New York Film Academy in 2010 and several other classes at the Open Acting Academy in Vienna and at the TVI Actors Studio in Los Angeles in 2011. She has been working as a freelance radio voice artist since 2012.
