At the young age of four years Stephanie decided to become an actress. She had her first experiences on stage, when she joined the children- and youth theater group in her hometown Feldkirchen in Carinthia. A few years later she became a member of the youth theater group at the Stadttheater Klagenfurt.

After her high school diploma she moved to Vienna in order to start her life as an artist there. She studied at the 1st filmacademy, bilingual acting school for film and theater. Besides her studies she was given the possibility to play in film- and theater projects. After three years she graduated and also passed the officially recognized stage diploma for acting.

By now Stephanie lives in Berlin and she had the opportunity to take a masterclass based on Brecht- and Stanislavski acting techniques.
